**STIPULATED MOTION TO
DISMISS**

Pursuant to Federal Rule of Civil Procedure 41(a)(2), the Parties to this case, by and through Counsel, hereby move the Court for an order dismissing this action. This motion is based upon a Settlement Agreement between the Relator and Defendant, in which the United States has concurred. Said stipulated dismissal is agreed to be with prejudice as to the Relator and Defendant, and without prejudice as to the United States. The parties agree that the terms of the settlement and the reservation of rights by the Government is fair, adequate, and reasonable under all the circumstances. The parties also request that the Court retain jurisdiction of the case for purposes of enforcing the terms of the parties' settlement.

STIPULATION

For the foregoing reasons, the Parties through their respective counsel stipulate that the court dismiss this action with prejudice as to the Relator and Defendant, and without prejudice as to the United States. A proposed Order of Dismissal is submitted concurrently herewith.
